Again, the very effort we make to recovoften find thoughts recurring to them in gotten for years. It cannot fail to occur knowledge and right principles. For in

at West Cornwall, March 14th, by Rev. T. H. Archibald. Published by request of the Socie-The temperance enterprise has been the

subject of oft repeated, and well deserved encomium. Its panegyries have been pronounced by many an eloquent orator, and its praises rehearsed by many a sweet singer. Nor has this been an undeserved or unmeaning tribute. The meed of praise has been justly won by the blessings which it has conferred, and the lau-rels, with which it has been crowned, have been richly carned, and worthily worn. Its victories have not been the achievefrom fields made dismal with carnage and course been defiled by the mouldering remains of slaughtered thousands. mountains of Zion, for these the Lord commanded the blessing even life forever- to disease of all kinds." more." This enterprise is one of those dence who does not discern the natio of the most acute poisons. To the same for intellectual nature of man has, with intel through the parted waves of the Red Sea, and caused the pillar of cloud by day, and the pillar of fire by night, to rest upon their encampments, and guide their onward journeyings. Looking back upon the past, and surveying the good which has been accomplished, in devout grati-tude we cry, "What hath God wrought?" The Lord hath done great things for us

some among us when the overflowing scourge came in upon us like a flood; when desolation and death waited upon the manifold diseases which surround the child Gay, and sometimes Gabrielle, the child Gay, and sometimes Gabrielle, which is Gay's true name. But she did not tell her wishers to intemperance, that I have ceased to ask them the cause of their the child Gay, and sometimes Gabrielle, which is Gay's true name. But she did not tell her surname, nor anything common, who had escaped arrest. The train they proud waves be stayed." You can the uselof intoxication when the uselof intoxication which is discover that she was instanct.

Now the excitement of alcoholic stimulation which is Gay's true name. But she did not tell her surname, nor anything common when the child Gay, and sometimes Gabrielle, which is Gay's true name. But she did not tell her surname, nor anything common when the child Gay, and sometimes Gabrielle, which is Gay's true name. But she will be conducted the night before by a notorious man, who had escaped arrest. The train was offered to Landford, to be united discover that she was insanc.

The late chief Justice Parsons says, the child Gay, and sometimes Gabrielle, which is Gay's true name. But she child Gay, and sometimes Gabrielle, which is Gay's true name. But she did not tell her surname, nor anything common when the child Gay a its progress, and when there seemed stom. When from every grade of society, and from almost every hearthstone, intemperance gathered its wretched victims; when the worm of the still tay coiled in every house, ready to devour his prey. You remember the names which he assumed, and the garbs in which he appeared, like wolves in sheep's clothing, or like Satan transforming himself into an angel of light. We know how he came to almost away (amily, the unhis abode; the seven spirits worse than intoxicating drinks." nimself that entered in and dwelt with ble than that of a Caligula, or a Nero, large this t

We record to-day, with devout gratitude to God, that the scene is greatly changed. We rejoice that in so many instances the malicious tyrant has been

f the hand of the mighty.

And yet it cannot be denied, nor is it wise to conceal the fact, that much of the ground that has once been gained has been lost, and that drinking habits are more common and less disreputable than they were twenty years ago. Our recent history, as temperance reformers, has been much like that of an invading army. and winning glorious victory on many a we'll fought field of conflict, should enter farther and farther into the very heart of the hostile nation, utterly neglecting ful. to fortify the important posts which it gain utterly lose its place. Coleridge in had already taken, and should suddenly his Biographia Literaria, tells us of a awaken to the fact that they had been recaptured by the foe, and were being held conscious state habbled away a long time to cut off their supplies, and destroy their in an unknown tongue, but returning to strength. It seems to me that we have consciousness, could remember nothing of been guilty of a similar imprudence. We what she had said, nor give any account fought, and we fairly gained, the battle of her acquiring it. It was afterwards on the duty of every man to abstain from found that she had lived in the family of the use of intexicating drinks.
